- **WRAPPING**
- **ACCESSORIES**
- **LORRY LOADING**

WEIGHING

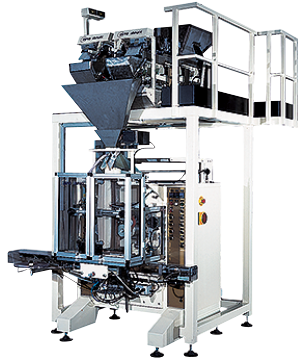

Process control weighers

Bagging weighers

PACKAGING

Packaging machines for producing small plastic bags (form fill and seal)

Packaging machines for small preformed paper bags

COMBINED WEIGHING AND BAGGING

Electronic gross weight
weigher-baggers for open mouth bags

Electronic gross weight
weigher-baggers for valve bags

BAGGING

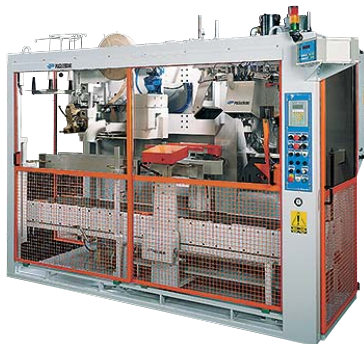

Static baggers for valve bags

Carousel bagging machines for valve bags

Carousel bagging machines for open mouth bags

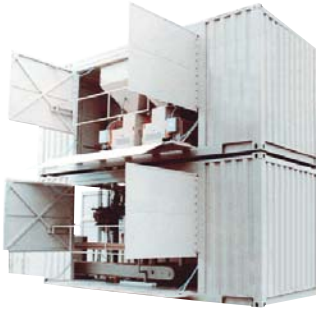

Automatic baggers for open mouth bags

"Form fill and seal" baggers for plastic bags

INTEGRATED BAGGING SYSTEMS

Mobile bagging units (containerized)

Bagging units for open mouth bags

Bagging units for valve bags

BIG BAG BAGGERS_____

.....
Bagging units for big bags
.....

PALLETISATION

Antropomorph palletisers for bags, bundles and boxes

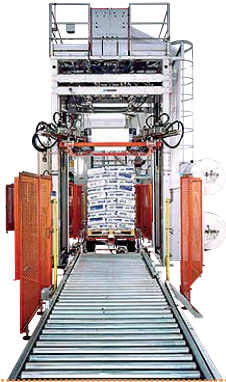

Conventional palletisers for bags, bundles and boxes

WRAPPING

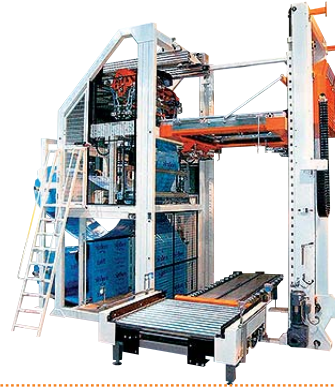

Stretch-film pallet wrappers

HOODING

Stretch tubular film pallet hooders

Shrink-wrap film pallet hooders

ACCESSORIES

Automatic empty valve bag feeder

Automatic empty open mouth bag feeder

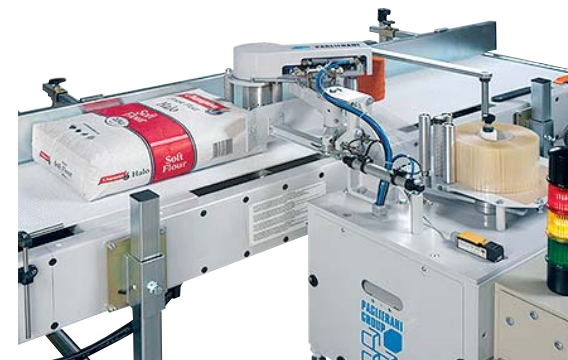

Open mouth bag closing lines

Check weighing and metal detector systems

Ultrasonic sealers for valve bags

Valve bag sealers by labelling

LORRY LOADING

Retractable, telescopic and articulated conveyor belts, for truck, container or railway wagons loading.
